2026 CHARITY

Patriots Run is a 501(c) (3) independent nonprofit organization that is dedicated to military members, veterans, first responders and families whose sacrifices and unwavering commitment inspire our mission every day. We exist to ensure members of these communities are honored, strengthened through community, and remembered by future generations to come.

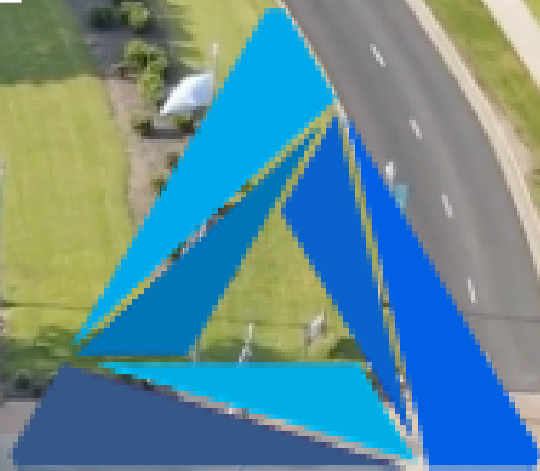

Patriots Run began with remembrance.

In the months following the terrorist attacks of September 11, 2001, members of the Kansas City community came together around a simple idea: create an event that would honor the lives lost, recognize those who continue to serve, and remind future generations that freedom carries a cost. What started as a local race became something much more. Year after year, Patriots Run brought together runners, volunteers, military members, veterans, first responders, families, and community partners - not only to compete, but to remember, connect, and express gratitude.

The Patriots Run mission is to support the community and raise awareness. In lieu of registration fee, all teams are required to raise a minimum of \$500. This year, individuals who would like to fundraise are also able to create a page of their own. Visit the fundraising portal to view pages or create your own!

RACE INFORMATION

The 5k will start at a later time than a typical race. By starting at this times, all race distances will finish at the same time, maximizing the amount of supporters and cheering each other on. Our individual ultra runners and teams will be running for 9 hours and 11 minutes, with some of them carrying up to 35lb rucks. We encourage all runners to stay and cheer those who pushed their bodies to the limit, first time runners and the local heroes who attended.

The Patriots Run is not just another race, we are a community who supports each other from start to finish .

RESULTS

Timing and results for 2026 is done by Big River Racing. Participants can check Athlinks at the end of their race or check the Patriots Run Website for results as soon as they are made available.

Timing is done utilizing chips found in each participant bib registered at packet pickup. If the originally assigned bib is not brought to the race, a time will not be recorded. Teams will share a bib number and chip throughout the relay.

PHOTOS

Race photography this year will be done by Mile90 Photography. Photos will be made available and shared as soon as possible. If you or your children wish to not be photographed please inform the photographer and every effort will be taken to honor your wishes.

ULTRA PIT AREA

Ultra participants are welcome to arrive Friday after 5pm to set up tents, and Saturday at 5:45 am. All ultra tents will be located in a designated area near the start/finish line. Do not move from area or risk tent removal. Tents must be 10x10.

FREE FOOD AND DRINK

Start the day right with breakfast provided by Criss Cakes and Attack Coffee. As the day goes on, enjoy waygu burgers,, 1st Phorm Ultra-Formance, S2, and other beverages provided by Crawford Sales. Plenty of snacks available at food tent as well!
